

FREE FIBERBOARD DEBRIS FOR COLLECTION

Penang Port is offering fiberboard debris estimated 15,000 to 18,000 ton located at open area inside Butterworth Wharves Container Terminal (BWCT) on FOC basis for any interested individual/company. All costs related to the debris collection are to be borne by the collector. Site visit will be arranged upon request. However, compliance with port's SOP and safety during site visit and collection is mandatory.
